The number of assignments (HWK) you need to complete)

How to access other games

Each stage is the same as a year group

Year 3 and 4 are grouped together as they have a shared set word list.

Year 5 and 6 are grouped together as they have a shared set word list.

Once you have picked a stage or scheme, you will then have access to additional games. From the points you earn, you can improve your Spelling Shed score.

These games do not count towards your assignment. These are bonus games which can be used to improve your spelling.

Spelling Practice

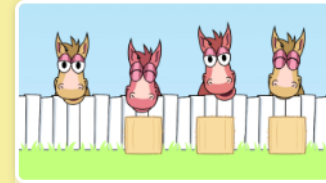

Spelling Bee

The original Spelling Shed game!

Penalty Spell-out

Score goals and spell words!

Hungry Horses

Feed the horses!

Shed Load

Load the bee hives on the truck!

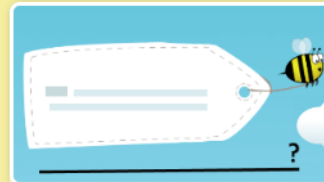

Word Games

Missing Word

Can you spell the missing word?

Definitions

Match the words with the definitions!

Bonus Games

Bee Keeper

Play Bee Keeper to save the bees!

Squirrel Scurry

Avoid the lava for as long as you can!

BETA

Play

On Spelling Shed, when students choose a game to play, they have the option to spell words letter by letter, or by graphemes. If it is an assignment, the mode can be set by teachers. If it is free play, students have the option to choose the mode. When the 'Phonics' filter is clicked to green, they will spell words by graphemes.

In addition, four difficulty options will appear. Students have the ability to choose the level of difficulty they are comfortable with to practice the words.

- **Easy (1pt)**- The word is read aloud, you are shown the word, and you will only see the letters you need to spell it.
- **Medium (2 pts)** – The word is read aloud, and you will only have the letters you need.
- **Hard (3 pts)** – The word is read aloud, but you will have a few extra letters added.
- **Extreme (4 pts)**- The word is read aloud, and you have a full keyboard of letters.

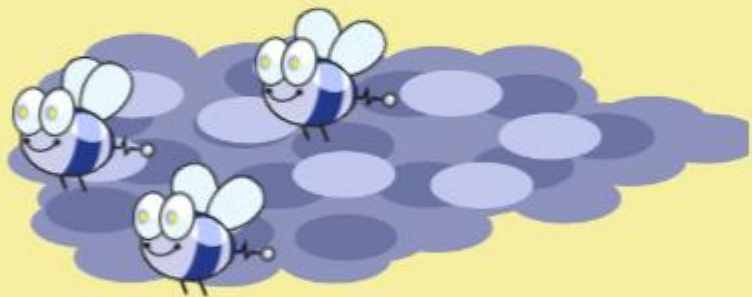

The Mastery Zone is a fantastic way to improve!
We would really recommend you use this at home.
The next few slides will show you what the Mastery Zone can do to help you improve.

Meet the Nano Bee

There are a lot of them

**They help you
get better at spelling**

Continue

First

**The Nano Bees will need to check
what kind of words you already
know**

**Don't worry
if you get a word wrong**

**You will get another chance
at an easier level next time**

Continue

If you spell a word correctly

you will play on harder levels

until you have mastered it

The words you spell in the rest of Spelling Shed
might also show up in your Mastery Zone

Continue

**Each day you play
you will earn a bumble stamp**

**Get a five day streak
and you will earn**

Continue

Mastery Zone

The first time you use Mastery Zone you will complete a quiz to see which words you still need to learn. The words will keep changing over time as your spelling becomes better and better.

Rewards and Scores

Every game awards a score and/or Honey Pots, depending how well students have done. When students select 'Play!' under any of the different Shed games, there will be a scoreboard at the top of the page which shows the student's scores for that specific set of Shed games. The number of Honey Pots stays the same throughout all Shed games.

Scoring

★ 77,716 🏆 501,304 🏆 17,455,702 🪄 989,744

Shed Score

This is the main score used for leagues to show current performance. It is the total score **from the past seven days**. This score may go down, as well as up. It is a rolling total which is calculated live, and the score is cached after each game play. *For example, if you earned 30 million points on Wednesday, the following Tuesday those points would still be included in the shed score, but on Wednesday, those points are now more than 7 days old, so they stop being included in the shed score.*

Highest Score

This is the highest score you have from a single game.

Total Score

This is the total score to date.

Honey Pots

This is the in game 'money' and can used to buy accessories for your avatar.

There are several different ways of scoring on the games.

VERY IMPORTANT!!

Remember, the Shed Score can go DOWN as well as up because it is based on the past seven days only.

With the honey pots you earn, you can change your avatar and buy additional accessories.

The screenshot shows the 'Leagues' section of the Spelling Shed website. At the top, a blue bar contains the 'Spelling Shed' logo. Below this, a horizontal menu has five tabs: '57', 'Year 5', 'School', 'School Groups' (which is selected and underlined), and 'World Groups'. Below the tabs, the text 'Name' is on the left and 'Group Score ↓' is on the right. Red arrows point from external text labels to specific elements: one from 'Your class' to the '57' tab, one from 'Your Year' to 'Year 5', one from 'The whole school' to 'School', one from 'Your class against all other classes' to the 'Spelling Shed' bar, and one from 'All other schools using Spelling Shed' to 'World Groups'.

To access at home

- You do not need to purchase the Spelling Shed app!
- We access Spelling Shed through the website 'EdShed' for free

Remember

- Keep your own username and password safe
- Use 'Assignments' to complete your Homework tasks
- Work on your spelling skills using the games
- Use the mastery zone daily to focus on spellings that you need to learn personally
- You should work on spelling little and often rather than sitting down once a week. This will help you retain the spelling patterns and rules.
- All the work you do on Spelling Shed helps put our school onto the national leaderboard! Your class could become the top spellers!
