The offer:

Each child each child can pick up to **up to 4 pick 'n' mix sessions** or a **Family activity**.

Activities include.

bowling, football, crafts, swimming, dancing, SEND activities and much more

To register your child onto the Walsall HAF Programme, you must first have an **individual HAF code** (one for each child).

You need a code?

You only need one code to access all the programmes, and you will only need to register once for each child. We send over 18k letters to all children that are on free school meals with a unique code and information on how to register, to each child that is eligible.

If you have not received a letter (this can happen if our information is not up to date, or circumstances have changed), you can always contact the HAF team via email: WR4C@walsall.gov.uk. If the child is eligible or you are unsure and the HAF team will then create and email the unique code.
