calendar at <https://tinyurl.com/mr324kmk>**

Message from Mrs Healy and Mrs Amos...

Welcome back to our new academic year!

We are delighted to return to school and have been looking forward to welcoming you all back from your summer break.

We particularly welcome our Year 3 children who are joining us for the first time and we look forward to a fantastic year ahead!

Drop Off and Collection

An email was sent on Wednesday 3rd September regarding drop off and collection. The school **doors will open at 8.45am**; children need to be in class by 8.55am for their registration mark and learning time. Gates are locked at 8.55am prompt. School **finishes at 3.30pm**. If children are not collected by **3:45pm** they will be taken to Treehouse. **There will be a charge for children taken to Treehouse.**

Children will have been told today by their class teacher where to come into school in the morning. A member of the senior leadership team is available at the gate.

At the end of the school day all children will leave via their designated doors - If your child will be collected by someone other than parents/carers, please make sure that the school office has been notified of any changes so that the collection list can be updated accordingly.

Uniforms, PE Kit and Stationery

Full school uniform, including sensible black shoes with black soles should be worn at all times, apart from your child's PE day when PE kit should be worn. Please remember to clearly label your child's belongings – if it isn't named we cannot return lost items to your child! Unnamed lost property can be found by the school office. Please do not allow your child to add key rings or charms to their school bag - these are easily lost around school.

Your child will not require any personal stationery. We have purchased a pencil case and all stationery needed for your child's learning. These should remain in school, for use in school only.

PE days for next academic year

**PE days are as follows for next year.
Children will need to attend school in their PE kit on their PE day.**

Please be aware that Year 5 will have their first PE day on Thursday 4th September 2025.

Year 3	Year 4	Year 5	Year 6
Tuesdays	Mondays	Thursdays	Wednesdays

Staffing and Classes for September 2025

Class 3	Miss Hall	Class 6	Miss Stanley	Class 9	Mr Ennis	Class 12	Miss McCreery

Cool Milk Reminder

If you wish your child to receive milk from our supplier, Cool Milk, from September 2025 then please register your details and place orders with Cool Milk via their website:

<https://coolmilk.com>

Food Allergies, Food Dudes and Lunch

Please do not send your child with nut based products.

We have a number of children with severe allergies to different types of nuts – this can be extremely dangerous resulting in potentially life-threatening anaphylaxis.

As a healthy school please ensure that mid-morning snacks are fruit and vegetables. Chocolate, crisps and sugary snacks should not be sent into school for a snack – a small treat may be included in their lunch box.

When sending your child to school don't forget cutlery! Whether they need a spoon for yogurt or a fork for pasta, having the right utensils makes lunchtime much easier for everyone. Please ensure any cutlery you send in is plastic and reusable.

Water bottles should be re-usable and NOT made of glass or metals. They will be able to be topped up throughout the day.

Medication

This is a reminder of the current procedures for administering medication in school, following updated statutory guidance already shared with families.

Prescription Medication

If your child needs prescribed medication during the school day:
It must be brought to the school office by a parent or carer.

A consent form must be completed with clear dosage and timing instructions.

Medication must be in its original packaging, clearly labelled with your child's name and prescription details.

Children are not permitted to carry medication, except for pre-approved cases (e.g. inhalers or EpiPens), which must still be logged with the office.

Over-the-Counter Medication

We are unable to administer non-prescription medications (e.g. Calpol, antihistamines) unless they have been prescribed by a doctor with a clear label. If your child requires such medication, please consult your GP and follow the prescription procedure.

These rules are in place to ensure pupil safety and comply with national safeguarding guidance.

Thank you for your continued support. If you have any questions, please contact the school office.

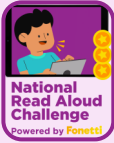

Communication

Please ensure that you have provided us with a current and operational email address.

All communications and letters will be emailed out to the priority addresses held on the school management system. We will also post information onto the School Website.

National Read Aloud Challenge

We hope you have been enjoying taking part in the National Read Aloud Challenge! If any children have completed the **Summer Reading Challenge**, please bring the certificate to collect house points from Mrs Amos.

Out of School Achievements

It is very exciting for children to earn certificates and trophies at the clubs they attend. Due to a growing number of children wishing to share their out of school achievements, we share these in class and on the school website.

Please continue to email your child's achievements to postbox@parkhall-jun.walsall.sch.uk for all to see.

And finally...

Please, please, please park responsibly and think of our school community.

The safety of the children relies on you being a good driver and parking sensibly at all times.

Please be mindful of the school community and do not block drives or restrict access for our residents.

Park Hall Close is private property and is now using a National Parking Control Company who will issue Parking Charge Notices to owners of cars parked without permission.

Thank you for your continued support.
